

A flair for musicality, Kenneth Leonard Jr. has a natural ardor for musical interpretation that distinguishes him from other musicians. His talent, sought after by many, furnishes a unique essence for several musical genres including R&B, Pop, Gospel, and Jazz.

Having become a renowned musician, locally and abroad, Kenneth is currently working as Musical Director/Keyboardist/Vocalist for Grammy Award Winning artists Anthony Hamilton, Tasha Cobbs and Tamia. Kenneth has also worked on several television productions including Homeland and Vampire Diaries.

Kenneth maintains his commitment to the place where his roots are. At present, Kenneth is the Musical Director for his church, Mt. Zion Baptist Church, and for his pastor, Bryan Pierce, who is a phenomenal renowned vocalist. Aside from his musical shrewdness, Kenny also has business savvy which inspired the 2014 inception of his company Stage Right Productions, LLC., a backline rental company for musical production. His life is now coming full circle and showing the fruits of his hard work and preparation.
